### Selected Presentations

- NHMRC grant process. Royal Australasian College of Surgeons Joint Academic Meetings, Section of Academic Surgery and Surgical Research Society 10 November 2016, Melbourne.
- Dysphagia "hard to swallow" podcast for JMOs, Royal Prince Alfred Hospital, 26 May 2016.
- The transcriptome of Barrett's esophagus and esophageal adenocarcinoma. Keystone Symposia oral presentation (by PhD student Jesper Maag) 2016
- Endobarrier therapy. Sydney Upper Gastrointestinal Surgery Society, Sydney December 5, 2015.
- Barrett's oesophagus and obesity. ANZGOSA Annual Meeting Hamilton Island, October 8, 2015
- Prominin1 and stem cells for Barrett's oesophagus (supervisor). ANZGOSA October 2015
- Prognostic factors for OAC (supervisor) ANZGOSA October 2015

- Minerva. National Art School invited lecture 16 September 2015 Black Building, NAS Sydney
- Obesity surgery for developmentally delayed children. Development Disability Medicine Meeting, Prince of Wales Childrens Hospital August 13, 2015
- Chair, Barrett's symposium plenary session. 5<sup>th</sup> Asia-Pacific Gastroesophageal Cancer Congress March 16, 2015 Brisbane, Qld.
- Chair, Oesophageal Cancer session AGITG Annual Meeting, Sydney September 2, 2015 Wentworth Sofitel Hotel, Sydney
- Outcomes of sleeve gastrectomy with hemi-fundoplication, RACS Annual Scientific Congress Perth May 7 2015
- Endobarrier. OSSANZ Wellington NZ November 2014
- PROBE-NET update Melbourne 15 Nov 2014
- Badiani S, Lord SJ, Lord RV. Comparing Laparoscopic Skills Between Surgical Trainees and Teenage Gamers 2014 GSA Annual Scientific Meeting – Emergency Surgery: A New Paradigm, taking place at the Perth Convention & Exhibition Centre
- Managing patients after bariatric surgery – what the GP needs to know. Sydney University
- Endotherapy versus surgery. Borchard Foundation Symposium on Barrett's HGD and superficial EAC. Chateau de la Bretesche, France July 2013.
- Barrett's Oesophagus. GENCA (Gastroenterology Nurses Assoc.) NSW Study Day May 4 2013.
- Pathways to specialisation. Notre Dame University Alumni event. Sydney May 3 2013.
- Obesity and surgery. Royal North Shore Hospital Endocrinology Department meeting May 3 2013.
- Can surgery save the human race? Inaugural TEDMED event, Australia. Sydney University Footbridge Theatre April 20, 2013.
- Laryngopharyngeal reflux and GORD. Sydney ENT surgeons symposium. Dec 10 212.
- Sleeve gastrectomy with anterior fundoplication: a novel operation. ANZ Gastro-oesophageal Surgery Association/Sydney Upper Gastrointestinal Surgery Society annual meeting September 2012 Sydney.
- Robotic foregut surgery. ANZ Gastro-oesophageal Surgery Association/Sydney Upper Gastrointestinal Surgery Society annual meeting September 2012 Sydney.
- Endoscopic therapy for Barrett's HGD and intramucosal cancer. Invited speaker, Argentine Association of Surgery Annual Congress, Nov 17, 2011, Buenos Aires, Argentina.
- Management strategies for patients with metaplasia or low grade dysplasia. Invited speaker, Argentine Association of Surgery Annual Congress, Nov 17, 2011, Buenos Aires, Argentina.
- Panel member, Barrett's Oesophagus. Sydney Gut Club Marriott Sydney 13 July 2011.
- The puzzle of Barrett's oesophagus. Keynote lecture, 2011 Royal Australasian College of Surgeons Annual Scientific Congress. SA M ay 2011.
- Panel, Westmead Endoscopy Symposium 3/3/11 Barrett's with dysplasia case discussion.
- Radiofrequency ablation for Barrett's HGD and intramucosal adenocarcinoma – it this the best option? ANZGOSA/ISDE-AS annual meeting Feb 18, 2011, Hobart Tasmania.
- Expression biomarkers for Barrett's oesophagus and oesophageal adenocarcinoma. Biomarker Discovery Conference, Shoal Bay 8<sup>th</sup> December 2010.
- Epigenetic biomarkers for Barrett's oesophagus and oesophageal adenocarcinoma. Australian Epigenetics Alliance NSW/ACT meeting, Sydney 7<sup>th</sup> December 2010.
- Biomarkers for Barrett's oesophagus and oesophageal adenocarcinoma. Plenary session Australian Health and Medical Research Congress, November 2010.
- Does antireflux surgery prevent Barrett's progression? 2010 Royal Australasian College of Surgeons Annual Scientific Congress. WA 6th M ay 2010.
- HALO for Barrett's oesophagus and intramucosal cancer. 2010 Royal Australasian College of Surgeons Annual Scientific Congress. Perth, WA 6th M ay 2010.
- Prognostic factors for oesophageal cancer. 2010 Royal Australasian College of Surgeons Annual Scientific Congress. Perth, WA 7th M ay 2010.
- Recent results from the Gastroesophageal Cancer Research Program at St. Vincent's Centre for Applied Medical Research. NSW Cancer Council symposium "Frontiers in Barrett's oesophageal and oesophageal cancer" Lowy Packer Building Friday Nov 6 2009.
- Lost in translation? Prospects for the clinical application of Barrett's laboratory findings. NSW Cancer Council symposium "Frontiers in Barrett's oesophageal and oesophageal cancer" Lowy Packer Building Saturday Nov 7 2009.
- Management of anastomotic recurrence – is salvage surgery an option? Australia and New Zealand Medical and Surgical Gastrointestinal Week (AGW) 22 Oct 2009. Sydney Convention Centre.
- Interstitial cells of Cajal in achalasia. Australia and New Zealand Medical and Surgical Gastrointestinal Week (AGW) 22 Oct 2009. Sydney Convention Centre.

- Gene expression alterations after radiofrequency ablation of Barrett's oesophagus with dysplasia. (Medical and Surgical Papers of Distinction session) Australia and New Zealand Medical and Surgical Gastrointestinal Week (AGW) 23 Oct 2009. Sydney Convention Centre.
- Barryx HALO endoscopic ablation. Breakfast session presentation. Australia and New Zealand Medical and Surgical Gastrointestinal Week (AGW) 22 Oct 2009. Sydney Convention Centre.
- Resolution of dyslipidaemia after bariatric surgery. World Congress of Oils and Fats, 29 September 2009, Sydney Convention Centre.
- Beyond Weight Loss. Lowy Packer Building 16 Sept 2009.
- Robot-assisted oesophageal and gastric surgery. Sydney Upper GI Surgery Society meeting, Novotel Homebush, Sept. 5, 2009.
- Wireless pH testing for gastroesophageal reflux disease. Capsule endoscopy meeting, Intercontinental Hotel Sydney Aug 29, 2009.
- Co-chair, Surgery for oesophageal cancer. Australian Gastrointestinal Trials Group (AGITG) annual meeting Brisbane QLD, Aug 28, 2009.
- Carcinoma oesophagus: how do we measure response to neoadjuvant therapy: molecular. International Society for Diseases of the Esophagus Australasian chapter. Novotel Twin Waters, Queensland, Feb 20, 2009.
- Radiofrequency ablation for Barrett's oesophagus. Sydney Upper GI Surgery Society meeting, Novotel Homebush, Nov. 15, 2008.
- Metabolic Surgery. St. Vincent's and Mater Health Obesity and Lifestyle Expo. Nov 6, 2008.
- Update on Barrett's Oesophagus. Northern NSW Gastroenterology Meeting. Pokolbin, NSW. March 8, 2008.
- Barrett's Esophagus. Visiting Professor of Surgery, University of Rochester Department of Surgery, Rochester, NY, October 2007.
- Esophageal adenocarcinoma in Australia, Am Coll Surg Annual Clinical Congress New Orleans Oct 2007.
- Postgastrectomy syndromes and other gastrointestinal motility disorders. Sydney Upper Gastrointestinal Surgery Society November 11, 2006.
- Bariatric surgery. St. Vincent's Clinic rapid update 21 September 2006.
- Epidemiology of oesophageal adenocarcinoma. St. Vincent's Upper GI Tumour board May 1, 2006.
- Antireflux surgery for prevention of cancer in patients with Barrett's – may be unproven, but...! Plenary Seminar presentation, 10<sup>th</sup> World Congress of the International Society for Diseases of the Esophagus (ISDE). Feb 2006 Adelaide.
- Epidemiology of gastric cancer. Sydney Upper Gastrointestinal Surgery Society meeting. Nov. 5 2005.
- Should we perform extended lymphadenectomy for esophageal cancer? Australian Gastrointestinal Trials Group (AGITG) annual meeting Brisbane Oct 23, 2005.
- Oesophagogastric surgery. St. Vincent's Hospital gastroenterology nursing program. 26<sup>th</sup> Oct 2005.
- Diagnosis of oesophageal disease. St. Vincent's Hospital surgery grand rounds Aug 28, 2005.
- New developments in upper gastrointestinal surgery. St. Vincent's Hospital GP update. Aug 24, 2005.
- Norman Barrett and after-dinner speaking. NSW Upper GI Journal Club dinner, Sydney. July 22, 2005.
- Radiofrequency ablation for liver cancer. Upper Gastrointestinal Tumour Board, St. Vincent's Hospital Sydney, April 4, 2005.
- Genetic and Epigenetic Studies of Barrett's Oesophagus and Oesophageal Adenocarcinoma. Scientific Meeting, International Society for Diseases of the Esophagus Australasian Chapter, Sydney December 2, 2004.
- Barrett's Oesophagus and Oesophageal Adenocarcinoma. Upper Gastrointestinal Tumour Board, St. Vincent's Hospital Sydney, October 25, 2004.
- Barrett's Oesophagus. Surgery Grand Rounds, Royal Darwin Hospital, February 17, 2004.
- Non-erosive reflux disease. Annual Course on Medical and Surgical Aspects of Esophageal and Foregut Disorders: Pathophysiology and Treatment. Mar 2003, Kauai, HI.
- Risk factors for GERD, Barrett's, and esophageal adenocarcinoma. Annual Course on Medical and Surgical Aspects of Esophageal and Foregut Disorders: Pathophysiology and Treatment. Mar 2003, Kauai, HI.
- Genetic basis of Barrett's esophagus and esophageal adenocarcinoma. US studies. For meeting "US meets Europe on Barrett's Esophagus". Hamburg Oct 2002.
- Norman Barrett and the esophagus. For meeting "US meets Europe on Barrett's Esophagus". Hamburg Oct 2002.
- Molecular biology of the esophagus and its clinical application. Course for Italian gastro-enterologists and surgeons. USC. April 17, 2002.
- Pharmacogenetics. Grand rounds, Glendale Memorial Cancer Center, Los Angeles, CA. April 1, 2002.
- Pharmacogenetics of gastrointestinal cancer. At seminar Gastrointestinal cancers: Critical advances in risk assessment, screening, and management. 6<sup>th</sup> Annual Conference on Cancer Genetics and Clinical Practice. City of Hope National Medical Center, Duarte, CA. March 23, 2002.
- Gene expression alterations in esophageal adenocarcinoma. USC Presentation for Tata Memorial Hospital, India, doctors. Dec 7, 2001. USC Los Angeles.

- Barrett's Esophagus and Esophageal Adenocarcinoma. Moffitt Cancer Center/University of Southern Florida Cancer Grand Rounds November 2, 2001.
- Pharmacogenetics and pharmacogenomics. Western Canada oncology symposium, Laurel Point, BC, Canada. October 27-28, 2001.
- Genetics of Barrett's esophagus – USA studies. International Symposium on Barrett's Esophagus. European Surgical Institute Hamburg Germany Sept 2001 (meeting cancelled).
- Historical vignette on Dr Norman Barrett. International Symposium on Barrett's Esophagus. European Surgical Institute Hamburg Germany Sept 2001 (meeting cancelled).
- Absence of gastroesophageal reflux disease in a majority of patients taking acid suppression medications after Nissen fundoplication. Digestive Diseases Week, Society for Surgery of the Alimentary Tract, Plenary Session, Atlanta, May 2001.
- Molecular tests for gastrointestinal cancer and their clinical relevance. The Swedish Medical Center 2001 Annual Cancer Conference: Gastrointestinal Cancers. Seattle, May 4, 2001.
- Nucleic acid-based tests for the diagnosis and treatment of esophageal cancer. USC Surgery Course on Esophageal Disease and Management. (Italian doctors) March 30, 2001.
- Effect of acid and bile on esophageal cells. Research proposal. USC Research Center for Liver Diseases 6<sup>th</sup> Annual Symposium March 4, 2001. Hasting Auditorium USC HSC, Los Angeles.
- Nucleic acid-based tests for the diagnosis and treatment of esophageal cancer. USC Surgery Course on Esophageal Disease and Management. (Italian doctors) March 30, 2001.
- Effect of acid and bile on esophageal cells. Research proposal. USC Research Center for Liver Diseases 6<sup>th</sup> Annual Symposium March 4, 2001. Hasting Auditorium USC HSC, Los Angeles.
- Cardiac mucosa in the cervical esophagus after esophagectomy is an acquired epithelium with Barrett's-like features. Society of University Surgeons Annual Meeting, Chicago IL Feb 9, 2001.
- Clinical aspects of esophageal cancer genetic studies. USC Surgery Course on Esophageal Disease and Management (Italian doctors) 11-13 December, 2000.

Increase in Vascular Endothelial Growth Factor and basic Fibroblast Growth Factor Expression in Barrett's Esophagus and Adenocarcinomas of the Esophagus and Gastroesophageal Junction. American Association for Thoracic Surgery (AATS) Annual Meeting, Toronto Canada May 1-3, 2000.

- Detection of hypermethylation of the *APC* promoter region in serum is a specific marker for adenocarcinoma of the esophagus and gastroesophageal junction. American Association for Cancer Research (AACR) Annual Meeting, San Francisco April 2000
- Clinical aspects of esophageal cancer genetic studies. USC Surgery Course on Esophageal Disease and Management (Italian doctors) 15 March, 2000.
- Nucleic acid-based tests for the diagnosis and treatment of esophageal adenocarcinoma. 15<sup>th</sup> Annual Course on Medical and Surgical Aspects of Esophageal and Foregut Disorders: Pathophysiology and Treatment. Feb-Mar 2000, Maui, HI.
- Molecular Biology of Barrett's Esophagus and Cancer. Surgery Grand Rounds. University of Southern California, January 2000.
- Gene expression in Barrett's esophagus and esophageal adenocarcinoma. 5<sup>th</sup> International Conference on Molecular Oncology, Kiel Germany May 6-9, 1999.
- The genetic revolution and the distal esophagus. 14<sup>th</sup> Annual Course on Medical and Surgical Aspects of Esophageal and Foregut Disorders: Pathophysiology and Treatment. Feb 25-Mar 2, 1999, Kapalua, Maui, HI.
- Molecular biology of Barrett's esophagus. Presentation for Gastroenterology Division, USC Keck School of Medicine, USC Los Angeles November 10, 1999.
- Clinical aspects of esophageal cancer genetic studies. USC Surgery Course on Esophageal Disease and Management (Italian doctors) 8-10 November, 1999.
- Clinical aspects of esophageal cancer genetic studies. USC Surgery Course on Esophageal Disease and Management (Italian doctors) 20-22 September, 1999.
- Barrett's Esophagus and Associated Adenocarcinomas. Inaugural USC/Norris GI research group meeting, Los Angeles, January 28, 1999.
- Pathology and Genetics of Barrett's Esophagus and Esophageal Adenocarcinoma. Memorial Sloan Kettering Cancer Center Gastroenterology and GI Oncology Group Conference. New York. December 7, 1998.
- Retinoids and Barrett's Esophagus. Cornell Medical Center Cancer Research Institute, New York. December 7, 1998.
- Genetics of Barrett's Esophagus and Esophageal Adenocarcinoma. New York University Cancer Center Seminar. Skirball Institute, New York University, New York. December 11, 1998.
- Pathology and Genetics of Barrett's Esophagus and Esophageal Adenocarcinoma. Sloan Kettering Cancer Institute, Rockefeller Laboratories, New York. December 11, 1998.
- Genetics of Barrett's Esophagus. Meeting on Management of Oesophageal Problems. Sydney Upper Gastrointestinal Surgical Society. Sydney, November 21, 1998.

- Alterations in Gene Expression in Barrett's Esophagus and Barrett Adenocarcinomas. National Institutes of Health Consensus Conference, Boston MA September 1998.
- Pathology and Biology of Barrett's Esophagus and Barrett's Associated Adenocarcinomas. University of Southern California Norris Cancer Center Grand Rounds, Los Angeles September 1998.
- Gene Expression in Barrett's Esophagus and Barrett's Associated Adenocarcinomas. Special Meeting on Genetics of Gastrointestinal Cancers in Honor of Prof Heinz Hofler, USC/Norris Cancer Center, Los Angeles September 1998.
- Early Discharge after Appendectomy. RACS Annual Scientific Congress, Adelaide May 1993
- General Surgery and HIV/AIDS patients: experience at St Vincent's Hospital, Sydney. RACS Annual Scientific Congress, Perth May 1995.
- Role of p53 in the development and progression of Barrett's oesophagus and oesophageal adenocarcinoma. RACS Annual Scientific Congress, Melbourne May 1996.
- Thromboembolic risk associated with laparoscopic versus minilaparotomy cholecystectomy. RACS Annual Scientific Congress, Brisbane May 1997.
- Rising incidence of oesophageal adenocarcinoma in men in Australia. RACS Annual Scientific Congress, Brisbane May 1997.
- Cholecystectomy in cardiothoracic organ transplant recipients. RACS Annual Scientific Congress, Brisbane May 1997.
- Anorectal surgery in HIV-infected patients. RACS Annual Scientific Congress, Brisbane May 1997.
- DVT incidence following laparoscopic versus minilaparotomy cholecystectomy. 23rd World Congress of the International Society for Cardiovascular Surgery, London, England, September 1997.
- Cholecystectomy in cardiothoracic organ transplant recipients. Poster presentation, Registrar's papers day, September 14, 1996.
- Anorectal Surgery in HIV-infected patients. Sydney Colorectal Surgical Society 10 February, 1996.
- AIDS and the Acute Abdomen. Poster Presentation Symposium on the Acute Abdomen. Brisbane, QLD 1990
- Trauma and Pregnancy. Surgical Grand Rounds, Princess Alexandra Hospital, Brisbane QLD 1990
- Antibiotics and Surgery. Surgical Grand Rounds. St. Vincent's Hospital, Sydney 1991
- Management of Portal Hypertension. Liverpool Hospital Intensive Care Grand Rounds 1992
- Laparoscopic Surgery Overview. Surgical Grand Rounds, St Vincent's Hospital, 21 February 1994.
- Current status of the MAST suit. St Vincent's Hospital Trauma Meeting, 23 June 1994.
- Anorectal Surgery in HIV/AIDS patients at St Vincent's Hospital. St Vincent's Hospital Colorectal Meeting, St Vincent's Clinic, 4 Sept 1995.
- Minimally Invasive Surgery. Surgical Grand Rounds, St Vincent's Hospital, 25 Sept 1995.

Associate Editorial board, BMC Gastroenterology. Ad hoc reviewer for many journals including Annals of Surgery, ANZ Journal of Surgery, Molecular Cancer, Cancer Biol Ther, Clinical Cancer Research, Surgery, Journal of Surgical Oncology, Diseases of the Esophagus, Endocrine-Related Cancer, BMC Cancer, BMC Gastroenterology (Associate Editorial board), BMC Research Notes etc. Ad hoc reviewer for grant applications for many countries and funding bodies.
